Description

A young girl tells how she, her mother, and her grandmother save up all of their spare coins in a big glass jar toward the day when they will buy a much-needed easy chair.

Insightful reviews

Kimberly Parrott: This was an inspiring story for me and I'm sure it was for anyone else who has read it. This story teaches patience and kindness seeing as the characters lost everything in a house fire and took the time to fill an entire jar full of coins. Even though all they are saving up for is a nice chair to relax in, it represents so much more than just a chair. It represents patience and hard work to reach something you really want. Children should really read this book or hear this book being read because patience is waning in kids now days.

Amelia Harrelson: Realistic Fiction - This book is about a girl named Rosa, whose house burns down and all of her possessions are destroyed. Rosa, her mother, and her grandmother work together to save money to buy a chair for their new home. Their new neighbors and their family bring things for their home. These are things like a bed, a kitchen table and chairs, rugs, etc. However, they do not have a comfortable chair to sit in and relax. Rosa, her mom, and her grandma work together and save enough money to buy a new chair.

This book is perfect for teaching kids about how a community can come together and help each other out. In this book, the community was able to rally around this family and provide them with things for their new home. They did this because all of Rosa's possessions were burned in the fire. It is also a good book to read to kids if you want them to understand the importance of working hard and saving money. Rosa and her family were able to save enough money to buy something that they really needed.

Michelle Lasser: A Chair for my Mother is a lovely story with a theme of kindness. While a little girl, her grandmother, and her mother are going through a very tough time, everyone in town including her mother's boss at work is going out of their way to help the family. The only thing the family doesn't have yet is a nice soft chair. The story demonstrates teamwork and how finishing a task can be a lot easier when everyone is contributing. On some of the pages, the illustrator has designed beautiful borders to really focus on certain events throughout. Reading this story gives you a great, warm feeling.

Kelly: this can be one other one in all my favorites. For years I dreamed of saving a good immense jar of coins. in basic terms now am i really doing it (with the Staffer of course). Anyway, there is a little girl, and there is a fire, and he or she lives along with her mother and grandma, and her mother is so drained after paintings and has to take a seat in a kitchen chair to rest, in order that they retailer up all their cash and...

L-Crystal Wlodek: A Chair for My mom is for kindergarten-third grade scholars and is a Caldecott Honor e-book (1983). This e-book is ready a woman named Rosa, her mother, and grandmother who dwell jointly and reside from paycheck to paycheck after their domestic and

possessions have been destroyed through a fire. They choose to shop any more money in an important jar till they could find the money for to shop for one enormous cozy chair that each one 3 of them can enjoy. This tale is heartwarming and soft and has topics of love, family, strength, and resolution it's a basic story, with intensity and spontaneity. The illustrations are performed in watercolor in an expressionistic style. they're colourful and lively and feature a comfy feel. severe roses, blues, yellows, and vegetables symbolize strength, energy, and determination. The textual content and illustrations thoroughly supplement each one other. This tale will be most sensible utilized in the school room while discussing personality counts issues and occasions relating accountability and assisting one another, in addition to family members and determination.

Kally Nord: The younger narrator's mom works on the Blue Tile Diner, and the narrator starts operating there, too. each evening after work, the narrator and her mom positioned their tips in an enormous jar. they're saving as much as purchase a chair for his or her new apartment, simply because there has been a fireplace that burned every thing the place they used to live. Their associates threw them a celebration and gave them a few furnishings after they moved in, yet they nonetheless wanted a chair or sofa. After many years spent saving, they eventually have adequate to shop for a the ideal chair for his or her apartment! Several subject matters of this tale comprise supporting others, saving money, and houses and housing. A enjoyable category job to do is to have every one scholar layout their "dream chair". supply quite a few arts and crafts materials, akin to popsicle sticks, boxes, pipe cleaners, cardboard bathroom paper rolls, etc., for kids to create a small-scale version in their "dream chair." Next, have each one scholar to jot down an outline in their designated chair on a wide index card that may be positioned subsequent to their chair model. To show the students' work, position all the chairs on a desk with an indication classified "Best Seats within the House". (<http://www.scholastic.com/teachers/le...>)
