Description

Thorliff Bjorklund has been writing since he was a young boy and now longs to study journalism. But his father has other plans for him and refuses to agree. Loving and respecting his parents, Thorliff dreads going against his father's wishes and cannot imagine any honorable way to leave home. To make matters worse, the threat of a crop failure may mean there'll be no money for college anyway. Thorliff is torn between love for his father and the pull of his dream. Must he choose between the two? Elizabeth Rogers has been raised in a life of privilege, yet she has an unwavering determination to become a doctor. Though she has the blessing of her family, society is not as kind, for it is nearly impossible for a woman to enter medical school. Has she misread her heart?

Insightful reviews

Allison: More of my comfort food. An interesting book in a place in history I am relatively unfamiliar with. It was really good for the genre though it was obviously a first in a series. I am intrigued enough to want to know more about what happens next to the characters.

Linda Day: Here is the thing about Laurine Snelling; she writes series. So-o-o, each book ends with the need to buy the next book in order to finish the story which you are now hooked on because Laurine Snelling is also a very good author besides being a VERY good businesswoman !!! Alert Kindle Readers ... this can become a very expensive proposition. :o)

A Dream to Follow is the first in the 2nd series concerning the Folks in the Red River Valley. It is not only a continuation, but a "next generation" continuation. This is the story of Thorliff and his desire to become a journalist ... his schooling becoming the main storyline. Will his Mor, Ingebort and his stepfather, Haaken, be able to support him in this endeavor, or will the "land" (and Anji) keep him anchored to Blessing, ND ?

A sub-storyline belongs to a new character, Elizabeth Rogers, and her desires to become a woman Dr. in the in-between-sized town of Northfield, MN. where the college both Elizabeth and Thorliff will attend. As obvious as this appears, the "book" ends with a cliffhanger (?) and natchurly you gotta buy the next book to find out if they get together ... really ?

However, let it be known ... I bought it. :o)

Can't help it.

Mackenzie: e-book 1 of three

Pegg: This sequence choices up a number of years after the 1st purple River of the North sequence ends. we discover the youngsters of the 1st sequence graduating and puzzling over lifestyles after school. a similar solid of characters from Blessing are there, plus we meet

Elizabeth Rogers from Minnesota. They endure one other death, celebrate over one other birth, and proceed to farm opposed to the weather of nature. there is not a lot new here. there isn't any lot of compelling clash with those older types of the Blessing characters. They definitely do not face the demanding situations that their mom and dad did. i believe like this publication is just establishing the remainder of the go back to purple River series. i am already beginning ebook 2, Believing the Dream, and hoping it deepens the story. If you have learn the sequence up until eventually now, you are going to consider like you could have hung out with previous friends.

Sandy: loved the booklet . anticipating analyzing the opposite 2 books within the go back To purple River Series.
