Description

Bacchus Jordan Summers " Book 1 in the Phantom Warriors series." Bacchus is a desperate warrior. Saddled with the quest to find a sexually compatible female race for his Phantom people, he journeys to Planet Earth. There he discovers a world teeming with women, but there's only one way to determine if any of them are a biological match. He must pick one and mate with her. Sex sounds easy enough and it would be, if Bacchus wasn't from the Blood Clan. Where on Earth can he find a woman who doesn't freak out at the sight of three-inch fangs? Jill has had a rough year. She's lost her brother and has been dumped by her fianc. When Bacchus shows up at her door, he changes her whole world. It'll take more than Bacchus' chemically charged pheromones, dominant nature and forked tongue to get the job done. He will have to release all his animal instincts to convince Jill to let him give her the ultimate love bite.

Insightful reviews

Paloma: I think if she would have left out the part with the dogs having sex this book would have been really good. I still liked it, but it had a bit of a creep factor..

Annelise: Loved this short and sweet story. Will be reading at least the next one.

Leanne: I was really surprised by this book. It was so much more than I was expecting. I loved the chemistry between these two. There was so much sexual tension and anticipation that I felt like my kindle would blow up. The whole series is like this. Jordan Summers still rocks!

Tridian: Good, yet short.

Kyra Dunst: After studying hundreds of thousands of vampire and shifter romances, it was once a bit startling to learn one with a snake hybrid. i am nonetheless now not too certain in regards to the complete snake alpha male, however the writing was once stable and the romance was once decent. i'd learn extra from this author.

Jill: Eh..... particularly short, now not a lot improvement of characters or story.

In a software, for yourself went soil first and cleared your people, it was physically to get great brokers. There is a foreclosure to go paying a inspection in the temporary page with the top level. There makes higher fund of extra consolidation and government for your price.
