Description

The movie that George and the man with the yellow hat have been waiting to see is now playing! Once inside the darkened theater, George is curious about the light coming from the back of the room. As usual, George's curiosity gets him into trouble but his clever tricks save the day.

Insightful reviews

Sharonneika: ..Georgia has become anxious once again. This time he is trying to figure out how the movie gets on the screen in a movie theater. In the process he manages to knock the movie off but as usual he finds a clever way to entertain the movie crowd. I think it's a great read for kids for entertainment purposes.

Rusty: My middle daughter loved Curious George and read everything she could find featuring this lovable little monkey.

Jessica Nekuda: My son thought this was funny

Vicki: George once more manages to mend a sticky situation. While he explains the motion picture to forestall taking part in he thinks of a shrewd permanent strategy to maintain the viewers entertained.

Elaine Shipley-pope: My young children are either avid Curious George fans. They love each new release of motion picture or express they usually haven't begun to discover a Curious George publication they do not like. This used to be no exception. George and the fellow within the Yellow Hat visit the movies! It really is George's first time and naturally he manages to get right into a spot of trouble. With a few the aid of a few easy hand shadow puppets every thing works out and naturally there's a lesson realized for George. It used to be a really lovely e-book that either my kiddos enjoyed.

Julie: The Curious George books have been continually a few of my favorites. During this one George and the fellow within the Yellow Hat visit see a movie. In fact George is curious little monkey and will get into a few trouble. Children love books the place animals act like people. I do know I enjoyed Curious George as a child and that I imagine my classification could as well.
