## Description

Two years ago, geologist Corinthians Avery had brazenly sneaked into a hotel room to seduce Dex Madaris, head of Madaris Explorations and the longtime object of her affection. But the man who emerged from the shower to find Corinthians clad in next to nothing was handsome foreman Trevor Grant. When a smug Trevor informed her that Dex was not only absent from the trip, but at home happily married, Corinthians was mortified.

Now, stuck in South America on a business trip with Trevor, Corinthians tries to avoid him at all costs. If only his broad shoulders and wickedly sexy smile didn't send her senses into flames. Their hotel falls under terrorist attack, and Corinthians has no choice but to place her trust in Trevor. As the two make a daring escape into the war-torn streets, fear for their lives suddenly turns to feverish desire, as they both give in to the hottest danger of all. What neither of them realizes is that one sultry night of passion under the luminous Latin skies will change their lives forever.

## Insightful reviews

Sheila Jackson: The minute you read the love hate relationship between Trevor Grant and Corinthians Avery, you know romance will soon follow. The fire and desire was always there, it just took terrorist to attack their hotel before their true feeling surface.

LVishousJ: Definitely one of my all time favourites!

Brenda: i admire a Brenda Jackson book! Trevor and Corinthians, outstanding learn with action, suspense, love and extra love.

Tanya Mayes: This used to be a motion packed, drama crammed that took us on a trip via South the USA with an excellent robust and large horny alpha male "Trevor Grant". i admire me a few Trevor!!! the connection among him and Corinthian Avery started out shaky. however it was once love at the start sight yet neither desired to admit it. So it turn into a love hate relationship. but if Corinthians was once in hassle it was once Trevor to the rescue, his army history ready him to guard the lady he loved. I additionally love the prim and correct Corinthians, virtually 30 and nonetheless protecting her virginity. however the ardour among the 2 of them

may well burn that jungle down. I additionally love how Brenda Jackson comprises the opposite character, displaying a powerful brotherhood and sisterhood. one other one among her books i'll need to reread soon. i am hooked now i attempted demanding to not begin at the Madaris relations and Friends. it is too overdue for me.

Yancee9: Excerpt: "What's wrong? I don't understand," she stated in alarm. "I purely advised her I had loved my meal." "No, you probably did not! You didn't even come close." Corinthians swallowed slowly, afraid to invite yet understanding she had to. "Then what did I say to her?" Trevor's glare deepened. "You advised her she had the face of a useless horse."...If this can be the type of dialogue/plot i'm going to have to publish with, may to boot placed the publication down now.
