Description

Nothing seems to be happening, so the Five Find-outers have great fun in creating their own mystery, with stories of robbers and kidnapers and the lights that flash at night on Christmass hill. But suddenly, most thrillingly, their pretend mystery turns into a real one.

felicia summers: I love this book. A must read.

Mike: Ern is a great addition (who I very much doubt attends a boarding school)... and it's the winter hols so no ices in this story. Larry, Daisy and Pip continue as character shadows to Fatty and Bets. As a historical read I like the two references to the 'Last War'.

Vaijyanthi: great one.

Yasoda Sriwardana: analyzing the youth favourites once more :)

Roze: one among my early life favourites! <3
