Description

Magda is tall and glamorous, Nadine is willowy and 'gothic' and Ellie, well, Ellie thinks she is unattractive and boring and that no boy will ever be interested in her. The three girls have been best friends 'forever' even though they don't seem to have much in common. But one thing they all want is a boyfriend!

Join the girls as they work out how to deal with all the surprises that being a teenage can bring. Sometimes sad, sometimes scary and often funny, don't miss this unputdownable and hugely popular trilogy for teenage readers by the award-winning Jacqueline Wilson.

Insightful reviews

Megan Colio: I enjoyed this book alot! It grips like a limpit on the rocks, near the sea.

It's all about three girls; Ellie, Nadine and Magda.

Ellie falls in love with 'Dream Dan' who she see's in the morning on the way to school but, she isn't actually going out with him.

Nadine has a boyfriend called Liam who wants her to do things that she doesn't want to do! and Magda has a boyfriend called Greg who she doesn't see very much of, she just wanted a boyfriend and he was the first one who caught her eye.

I could not put this book down. Its the second best in the series.

Thankyou for reading this.

Zoe: I'm shelving a lot of Jacqueline Wilson books at the moment; I read them all when I was young. The ratings are only a reflection of how much I remember enjoying them.

bakanekonomama: Uumm... 2.75 bintang kayaknya...

Berkisah tentang Ellie, seorang gadis remaja berusia 13 tahun yg sedang putus asa karena dua sahabatnya: Nadine dan Magda sudah punya cowok. Nadine pacaran dgn seorang pria super tampan yg udah kuliah (dan ya, Nadine masih 13 tahun, which is masih SMP!!!). Sedangkan Magda "menjatuhkan" Greg hanya dalam 5 menit krn Nadine udah punya cowok dan dia iri sama sahabatnya itu.

Lalu... Tinggallah Ellie sendiri. Ia akhirnya bercerita kalau dia juga sudah pny cowok, seorang

lelaki tampan bernama Dan. Ellie bahkan menunjukkan surat dari Dan, yg di akhirnya tertulis "Love, Dan". Yup, itu surat cinta.

Siapakah si Dan ini? Apa benar ia super tampan seperti cowoknya Nadine yg dewasa, tp kehilatan ada maunya aja dan nggak sungguh2 suka sama Nadine? Ataukah seperti Greg, yang meskipun tampan tp penampilannya nerd dan tampaknya nggak punya minat sm hubungan fisik sehingga membuat Magda kesal? Ataukah Dan hanya ada di imajinasi Ellie krn dia nggak mau kalah dr dua sahabatnya??

Well... Dan does exist. Tapi nggak seperti yg Ellie ceritakan ke sahabat-sahabatnya. Kenyataannya, penampilan Dan bahkan jauh lebih nerd dr Greg. Kok bisa Ellie ketemu sama Dan? Mereka bertemu ketika keluarga Dan dan keluarga Ellie sama-sama berlibur ke tempat yg sama. Dan jatuh cinta pd pandangan pertama kpd Ellie, meski Ellie nggak merasakan hal yg sama. Setelah itu, mereka rutin mengirim surat (dimulai dr Dan terlebih dahulu, tentu), meskipun Ellie semacam mempergunakan Dan agar sahabat-sahabatnya juga menganggapnya punya pacar.

Lalu, kira-kira apa yg akan terjadi kalau Dan berkata akan mengunjungi Ellie (oh iya, rumah mereka jauh jd ga bs sering ketemuan) pdhl Ellie nggak mau siapapun tahu spt apa Dan yg sesungguhnya??

Lauren Hudson: I rated a e-book I had learn in Secondary tuition and was once given this as a recommendation. All i'm going to say is don't permit your kids learn Jaqueline Wilson books. those books have been within the institution library while i used to be eleven and i have visible different readers say they're renowned among the 8-12/1 age group. Going via on what I take into accout from studying them at that younger age (and I have in mind them rather well) Wilson manages to jot down a few host of subject matters (sex, consuming disorders) in an extrememly age innapropriate way. Sure, I must have been turning into taken with sex...no, i actually wouldn't have been interpreting approximately a few foolish lady going for an older man and letting him supply her hickeys within the park. I consider the presentation of consuming issues fairly negatively as well. individuually would't allow any baby of mine learn this stuff. young children are just childrens for a quick time...why try to shove this on them so young.

Nicholas Whyte: <http://nwhyte.livejournal.com/2524123.html>A solid ebook for teens - aimed extra at ladies than boys, with a decent tale approximately relationships, status, hideous embarrassment and BOYS. It did not wow me really up to the opposite books i have learn via a similar author, yet i am not the objective viewers and i would fortunately get it in case you are.

Naomi Oyegue: occasionally IN existence we'd imagine THAT we aren't appealing simply because BOYS don't desire to move OUT WITH YOU. yet you could notice THAT BEING by yourself is really tips on how to show YOUR good looks OR THAT GOING OUT WITH anyone WHO you're thinking that IS THE UGLIEST on this planet yet you then WILL discover THAT HE HIS really the person who BRINGS the wonder IN YOU. learn to determine WHAT occurred during this publication
