Description

Autumn 1837 Driving onward - against the worst of man & nature - a legendary caravan of men, women, & children forge a new link in the wilderness trek from Independence, Missouri to the "Promised Land" beyond the Rockies. They are pioneering Americans from North & South - side-by-side w/ immigrants, a Black man and an Indian - waging a fierce daily battle for bare survival on an uncompromising journey to their private destinies & the fulfillment of America's greatest dream.

NEBRASKA! This is the story of fearless devotion to a hard-won ideal, of betrayal from within & sabotage that reaches as far as Britain's & Imperial Russia's shores, of Indian uprising & natural disaster. And above all, it is the story of "Whip" Holt, the ruggedly quiet leader of this leg of the perilous migration; & Cathy van Ayl, who leaves her family behind in Missouri to continue on w/ Whip Holt's train - perhaps to win his heart.
