## Description

Hi, my name is Bentley. I'm a mutt with a dash of pit bull in the soup, and I have issues. I'm not likely to win any beauty pageants, and I'm afraid of cats. But my human, Norah Kent, thinks I'm the greatest despite all my shortcomings.

The problem is Norah won't go out with anyone who doesn't like me. Norah says she's perfectly happy being single, and that in God's time she'll marry Mr. Right. But I think God's time may be right now, and Mr. Right may be Officer Nick Haley--the one guy who's afraid of a kitten-fearing basket case of a dog like me! I'll do just about anything to bring Norah and Nick together, even if I have to...gulp...woof!

## Insightful reviews

Alysha Mae : ): inbetween reading great expectations it took me a whole woppin 5 hours to read this book, it was kindof a long story but i just couldn't put it down!!! it was a really good story and i absolutly loved it

Kristi Whalen: I did not much care for Norah. But I love Bentley and animals and Nick and that is 2 star worthy.

Saralyn: Another light, fun, inspirational book. Very enjoyable.

Marilyn: puppy shop proprietor Norah Kent loves the Lord and animals; she goals of 1 day having a relations with Mr. Right, someone who needs to settle for that she is fundamental caretaker of her cherished aged Auntie Lou, is owned by means of Bentley the mutt, and needs to proportion her passions specifically her Christian faith. 3 bachelors express curiosity in Norah. US army Commander Connor Trevain turns out to take care of Norah, yet she fears stepping out with him simply because her ally Lilly desires him. The townsfolk push Joe Collier, who asks Norah for dates, yet she is familiar with he's not the single so has governed him out. eventually there's police officer Nick Haley, who has 3 issues going for him. Bentley has selected him even though he turns out to worry the mutt and he or she retains listening to the bells. nonetheless Connor is good if in basic terms Lilly sought after another individual like Nick for instance. NORAH'S ARK is a delightful confident Christian romance starring an upbeat slightly blameless (too naive round men) protagonist and a solid of eccentrics beginning along with her matchmaking dogs and a horde of different legged, 4 legged, and no legged animals). The fast moving breezy tale line will supply lovers of Judy Baer with lots of leisure from begin to end because the viewers will ask yourself simply who will win the Norah sweepstakes. the radical lives as much as its vintage moment line "HAVE YOU HUGGED YOUR IGUANA TODAY?" as a enjoyable crammed tale.

Donna Hunt: beautiful nice book. I wasn't too inspired with the obvious 'pit bull' lookdown. yet a narrative a few God loving, animal loopy woman studying approximately love mantaining a being concerned nature while the realm calls it craziness. and that not anything is most unlikely
