## Description

Waktu mendengar adiknya, Danny, tewas bunuh diri, Sayre Lynch memutuskan untuk melanggar sumpahnya dan kembali ke Destiny, kota kelahirannya. Bukannya langsung pulang begitu pemakaman usai, Sayre malah menemukan dirinya sendiri masuk lagi ke perangkap Huff Hoyle, ayahnya yang tiran dan kejam.

Sayre segera tahu, segalanya belum berubah. Ayah dan kakak laki-lakinya, Chris, masih brengsek seperti dulu, dan sekarang mereka bahkan punya seorang kroni baru: pengacara licik tapi tampan bernama Beck Merchant.

Ketika Sayre terlibat semakin erat dengan Beck, ia pun semakin yakin, sesuatu yang sangat licik dan jahat tengah dimainkan oleh ayahnya dan Chris. Sayre juga mencium adanya kemungkinan adiknya dibunuh, pembunuhan yang jalin menjalin dengan rahasia-rahasia kelam yang menyembunyikan perasaan sakit hati dan kemarahan yang telah bertahun-tahun dipendam.

## Insightful reviews

Linda: I was a bit disappointed in this outing by Sandra Brown. I found the characters in this book fell a little flat, and were too black and white. The good were too good, the bad were too bad. I figured out the ending less than half way through the story, and found the pages turned very slowly. Not one of her better efforts.

The storyline involves Sayre Hoyle, who returns to her home town of Destiny after the death of her brother. Sayre has been long estranged from her family and the book explores the reasons behind that, as well as the mystery surrounding her brother's death. Along the way to finding out how her brother died, Sayre becomes attracted to the family lawyer, who seems to be at the beck and call of her unscrupulous father. Add to the mix a devious older brother, lots of secrets, and you have the ingredients for a formulaic suspense story.

Andrea: All I can really say is wow. There was a whole lot of family drama, murder, and webs of lies in this book. Huff was a poor twisted soul, a man made by the sorry life he lead and choices he made along the way in his life. Sayre was a woman who had her choices taken away from her by a man who had to have it his way and only his way. Chris was a spoiled, selfish a\*\*hole who only thought from between his legs and wanted to always be #1 in the eyes of his father. Beck on the other hand was the best sneak in the bunch I must say. Fantastic plot, engaging leads, and a whole lot of drama made this a book I would reconmend to anyone.

"OOOOH YESSS...WHITE HOT is Entertainment at it's BEST.....!

WHITE HOT wondrously written by none other than the legionary talents of a True trail blazer& Gifted prodigy ...SANDRA BROWN!

((much)) props to the beautiful the eloquent....SANDRA BROWN...!

You'll notice specially while listening on AUDIO....

WHITE HOT flames sparkles ...Tenaciously & Teasingly and yummmm what a nice savory

---

Intense Kick it has!

..Yes indeed...Most definitely some will find that the AUDIO is the way to go if you wanna be Carried away...

After a hard consuming rat race of a day and your Inner self screams a Sweet Rapturous release YOU can find it in Relaxing with this READ.

WHITE HOT is your Remedy to get Carried away Audio Utopia Style..teeheee!

This reader experience..a soothing Cure or so to speak a bliss of pure listening pleasure that jumps starts ones entire Being with rhythmic vibrations ,also it can best be describe as.."OOOH Snap, what a wild Rush...WOWWEE..!!!"

As the Story line unfolds into separate entities or piece by piece of life forces ups and downs struggles,plus survival of the fitness,who ,why what and How the HECK..?!!!

it delicately weaved into a it Story.

It's story is...ATTENTIONNNN...SIT UP TAKE NOTICE.. demanding while it peaks little by little then show signs of revolving,and at the same time blends into sharing portions of it's secrets.

The story teller makes it seem with little of ease(what a season Writer!) to connect,cross,and joined everything together...all as ONE all proper like.

Yet and still the climaxes kept being reborn with Bursts of explosion, dissolving in to colorful arrays of real life fast pace suspense ,romance & drama.

I didn't want it to end..but the ending was on POINT..hollaaa!

WHITE HOT subconsciously made me have thoughts &desires of reading RICOCHET also..yuppp by Sandra Brown...hmmhh..what a nice touch!

Prolonging the story for me would've continue to be a pleasurable intriguing delicious treat! this Reader's deepest thought was..," noooooo...don't end...PLEAZZZE more....Mr. Victor Slezak.....aaha a don't Stop!"

Then again,That's ONLY the Magic, the talents of SANDRA BROWN...affects on you.

This is one Reader whose glad to have thrown caution to the wind....

As I Listen I heard and took in the Story with an...OPEN MIND. Heyyy that's sooo American to demonstrate...my Freedom Choice!!

The Hero/Heroine blend&jellied very well together!

The Hero-BECK was smart,sexier than he had a right,also Tough too!

You know,this Reader was not at all taken back by the character,disposition of the Heroine.

It was different cause usually it's the HERO who act ornery,because of sigma's society places on us...we don't say much about it..men acting out how they feel..it's the NORM. but when WOMAN...acts ornery she gets persecuted.

It's a wonder SAYRE...what a lovely name didn't have a breakdown...what a tough Cookie;O) All the lemons that what smacked up side SAYRE head,and knives diggers thrown into her heart her feelings,however her actions&feelings were justifiable,also how her own blood/relatives mistreated her It sunk!

I felt Sayre's pain.

---

What a passionate Spitfire Sayre was and I give kudos to her for taking a stand for the TRUTH cause some folk wouldn't nor couldn't separate themselves from family the way she did! Sayre was such a TRUE... SHE-ROE , like most STRONG BRAVE COURAGEOUS woman she endure hardship liken to a good soldier.

I Champion for the love Sayre & Beck shared...even in the mist of sooo much pain,suffering&death...Love prevail in the end...!  
THANKS once again Ms. Brown for entertainment at it's very,very BEST!  
Best wishes!"

Linda Kilgren: Dysfunctional is a gentle notice to explain the relations named Hoyle, led through the evil patriarch Huff Hoyle. Ms. Brown easily takes us into Huff's previous as a child, the place he witnesses his father being murdered by means of a guy no longer not like his grownup self. even if this even offers us with motivation for the issues that Huff Hoyle does, one does not consider sorry for him, nor does it make us justify his behavior. The heroine, Sayre Lynch, hates Huff rather a lot that from time to time her judgements aren't wise. For example, she enlists assistance from a former sweetheart and never the city under the influence of alcohol to secret agent on coworkers at Hoyle Enterprises, a foundry due to an impending hard work strike. As I used to be analyzing this I turned dismayed simply because as much as this aspect Sayre does not strike me as stupid. I take into account considering she is going to get this guy killed. He approximately is. Beck Merchant, Hoyle Enterprises' astute legal professional issues out to Sayre that every little thing she does is stimulated by means of her hatred for her father. Ms. Brown shocks us once we discover the cause of this hatred. Now extra on Beck Merchant, the lawyer for Hoyle Enterprises. At first he frustrated me while Sayre attempts to claim sturdy by to her brother, Danny, who died of an obvious suicide, and insists she subscribe to her father and surviving brother, Chris for the wake on the house. At first, Sayre refuses, however the approach Beck will get her to wait grabs the reader and the race is directly to learn the remainder of the publication to determine what happens. The only factor I will say approximately Sayre's brother, Chris, is that he is a slime ball. I hugely recommend White sizzling to reader who like reliable suspense and romance. I maintain all of Ms. Brown's books. The storytelling is so good performed that not anything will get misplaced in a reread of Ms. Brown's works. Linda Kilgren

Robin Taylor: It by no means alterations with Sandra Brown - you're hooked through the 1st bankruptcy or of any novel she writes, then you definitely can slightly placed then e-book down till completion. it truly is quite very unlikely to bet who the undesirable man is - ever, simply because by way of writing intrigue, Ms. Brown with reference to holds the patent. WHITE sizzling is the tale of 1 man's luck in possessing a producing corporation that's the livelihood of a city known as Destiny, Louisiana. all the males within the tale appear nefarious in a single approach or another. whilst Danny Hoyle is lifeless of obvious suicide, Sayre Holye Lynch - dwelling in San Francisco - returns domestic for the 1st time in a decade. Her plans to depart instantly after the funeral prone are derailed as numerous issues should not really right, and Sayre's now not leaving with no answers. One guy which can supply her a minimum of a few perception is her enemy to the simplest of her knowledge, yet that doesn't cease the passionate emotions that start to develop among the two. decide up (or download) a duplicate of WHITE

scorching and you'll be stored in your ft actually to the very end.

Rachel Kovacs: Sandra Brown holds actual to the style with major characters who tantalize the reader with their risky attraction. the 2 characters commence as enemies: Sayre, the estranged daughter who comes domestic purely after her brother's death, and Beck, her father's legal professional and confidant. Sayre is on a project to shut the family members company down as a result of the unscrupulous company bargains that she doesn't wish linked to her name. Beck is assigned to maintain his eye on her and "handle" her if she factors problems. He makes a number of advances towards her in the course of the tale and the reader is left to query the sincerity of his motives. Brown has a command of language that permits the reader to really visualize the environment and tone of the novel. Even the best way the sheriff shifts his hat in his palms is helping the reader to imagine the annoying surroundings within the room. She unites the scene well whereas not likely to the level that might bore readers. The e-book is heavy on motion and conversation which retains the plot relocating along. except a couple of flips in point-of-view via out the unconventional and the stereotypical hearts "flip flopping" and "clenching" within people's chests, it made for an outstanding read.
