## Insightful reviews

Stacy: Olivia MacBride and her parents, a fairy-tale Hollywood family, had everything--fame, fortune, and love. But when 4-year-old Olivia awakens one night to find her mother brutally murdered and her father, Sam, standing over her corpse, the little girl's dreamland dissolves before her very eyes.

Whisked away to the sanctuary of the Olympic Peninsula by her grandparents, Olivia learns to bury the past deep within her. Determined to protect herself from painful memories, Olivia limits her life to the emerald rain forests and the River's End resort. Years later, when Noah Brady arrives on her doorstep, Olivia allows her defenses to slip and opens herself to the passion that sparks between them.

When she learns that Noah is fascinated with her mother's death and is writing a tell-all novel, Olivia is devastated. But as Noah helps Olivia acknowledge the lingering effects of her painful memories, she learns to trust him again. With careful research and the apparent cooperation of Sam, Noah begins to unravel the mysteries of that night. However, soon after Sam's release from prison, dangerous threats begin to pursue Noah and Olivia. When the killer enters the serenity of their world, Noah and Olivia must face the dark secrets of the past, or fail to secure a safe future.

Marielle: I usually like Nora Roberts books, but this one couldn't keep my attention, mostly because the romance wasn't the main focus of this book, but a kind of side plot next to the mystery of the murder. The h/h didn't really spend any time with each other until the last part of the book. The mystery part was solved by what I guess was supposed to be a big surprise, which unfortunately wasn't surprising for me. So the whole thing fell flat.

It's a 2,5 for me, but because of the high expectation I had for a NR book, I'm downgrading.

Sascha: Que libro tan horrible!!

Si pudiera darle 0 estrellas se lo daría, no se que le paso a la autora, cientos de paginas en las que no pasaba nada en lugar de invertir en escribir una historia coherente y al final nos tira la gran revelacion y ya esta WTF el libro no tiene final solo se detiene es inconcluso no puedo creer que no le haya dedicado mas paginas a esta etapa del libro.

Los peores protagonistas del mundo , mal perfilado, si ningun desarrollo de la historia aaaahhhh destesto a este libro , es lo peor que he leído en lo que va del año!!!!

Manon-Marie: En 1979, los angeles petite Olivia, quatre ans, est l'unique fille d'un des d'acteurs les plus célèbres du second : Julie MacBride et Sam Tanner. Or une nuit, l. a. petite fille découvre son père, une paire de ciseaux dans l. a. main, à côté du cadavre de sa mère. Ce dernier, grâce au témoignage de sa propre fille, va être condamné et emprisonné. Vingt ans plus tard, alors que los angeles fin de sa peine approche, Tanner n'a qu'un seul yet : prouver son innocence à sa fille. Pour cela, il compte sur Noah Brady, journaliste et fils du policier qui était chargé de l'enquête. Obsédé par cette affaire depuis de nombreuses années, son travail se complique lorsqu'il se rend compte qu'il pourrait remettre en query les événements survenus vingt ans plus tôt et surtout lorsqu'entre en jeu Olivia, qui l'attire beaucoup trop... Par une nuit sans mémoire est le superior roman de Nora Roberts que je lis alors que c'est pourtant une auteure très prolifique et mondialement connue. Je n'avais aucune attente ou aucun apriori ne sachant pas vraiment à quoi m'attendre. Dans l'ensemble, le résultat m'a agréablement surprise. L'intrigue est prenante et le suspense est bien maîtrisé jusqu'à l. a. toute fin du roman mais sans pour autant négliger l. a. romance. J'ai vraiment apprécié le fait que l'auteure fasse s'alterner les issues de vue des personnages, principaux et secondaires, tout en utilisant l. a. troisième personne. Cela renforce l. a. densité et le dynamisme de l'histoire et ne fait qu'augmenter le suspense d'une intrigue déjà bien prenante et qui se déroule sur une vingtaine d'années. J'ai beaucoup aimé le personnage de Livvy. On voit que l'auteur l'a bien travaillé. A l. a. fois strong point et fragile, le lecteur los angeles voit s'endurcir au fur et à mesure des années. C'est une héroïne très touchante de half ses qualités mais aussi ses défauts. Très têtue et autoritaire, elle a appris à s'endurcir après le meurtre de sa mère et l'incarcération de son père. Et même si les apparences ne sont pas toujours ce qu'elles sont, elle va avoir énormément de mal à faire confiance à Noah qui veut écrire un livre sur ce meurtre. Le « couple » qu'elle forme avec ce dernier est journey à travel touchant, agaçant et drôle. Une nuit sans mémoire est un livre très agréable à lire et qui a bien su jongler entre suspense et romance. Le type de l'auteur est dynamique et fluide que ce soit au niveau des descriptions ou des dialogues. Les échanges entre Noah et Olivia ou les réflexions de Sam Tanner m'ont ainsi beaucoup amusée ou touchée. Je n'ai pas vraiment l'habitude de lire des ouvrages comme Une nuit sans mémoire. Cependant l'expérience s'est révélée plaisante et je pense que je relirais ce livre avec plaisir. En attendant, je vais tacher de découvrir les autres romans de Nora Roberts et pourquoi pas m'attaquer à l'une de ses séries.

Darcy: i used to be sucked into this one correct away. there has been whatever in regards to the little lady Liv that made you must defend her, to ensure that the monster by no means received her, that her mama could come back. That Liv needed to see what she did was once horrible, yet much more chilling was once the wondering within the aftermath by way of Detective Brady. Frank used to be so reliable with Liv and handled her lightly that i discovered myself agreeing with grownup Liv, that Frank is a smart man. Even after we met Noah as a toddler I wasn't yes approximately him. His activities as an grownup have been extra so. He continually appeared out for himself, did not subject if his dream might harm Liv. i did not needless to say as he was once interested in her, the 2 appeared at odds. i used to be completely happy that Liv discovered what Noah was once doing and took steps to thwart him. I will say that early on I guessed what occurred the evening that Liv's mom used to be killed. There were not any clues, yet what all people inspiration was once truth appeared to easy. I hate that once the reality got here out Liv's family members has to stay figuring out what they did and also you recognize they're going to continually be moment guessing themselves. I'm nonetheless at the fence with

Liv and Noah's HEA. i am extra excited that Noah's mom and dad can be a part of Liv's relations greater than whatever else.
