Description

On the outside, Molly Gifford has it all--a hot legal career and Daniel Hunter, her equally hot boyfriend. But what she really wants is a family. So when she discovers her real father, she doesn't hesitate to pack her bags. Even though it means leaving her old life behind--A year later Daniel Hunter's still trying to get on with his life. Then Molly shows up at his door, begging for help. Her newfound father is under arrest for murder, and she's convinced Hunter is the only attorney with the skill and reputation to get him off. Hunter can't resist helping an innocent man. But this time he'll be the one walking away-- even if it breaks both their hearts to do it.--

Insightful reviews

Romancing the Book: Review by Jen:

Sealed with a Kiss is Carly Phillips' follow up to one of my favorite books of 2006, Cross My Heart. Each book stands alone, but as usual it probably makes a lot more sense if you read them in order since the main characters have parts in both stories.

Molly has a budding career and a great boyfriend, Hunter, but what she wants most is a family. So, when she discovers her real father, she leaves everything-and everyone-behind. A year later, Hunter is still not over Molly. She shows up on his door step asking for his help, as a lawyer, when he father is arrested for murder. Hunter can't resist the challenge, but is determined to be the person to walk away in the end.

I liked this book. Not as much as Cross My Heart, but it is still a good story. It was an interesting change to see both characters already in love with each other from the beginning, but fighting the attraction because they don't want to get hurt again. The romance part of the story was lacking for me. Since they were already in love with each other, it was more a case of spending time together to realize what they have. So, most of the story was concentrating on solving the murder mystery. And Ms. Phillips does a commendable job is creating an interesting and, while not very deep (this isn't strictly a mystery novel after all), well-written tale.

Wendy: Molly is a woman that has been searching for love and acceptance all of her life. Raised in Boarding schools and without much contact from her parents she needs that in her life. When she finds out that the man she thought was her father isn't, she is angry and hurt. But he tells her who her real father is and where to find him. What she finds when she goes to Connecticut to see her real father is a caring loveing man, who has been widowed for years but has raised two beautiful daughters with the help of his mother (the commander). He completely accepts Molly and brings her into his home and makes her apart of the family, even if the littlest sister is a teen-age brat.

Molly's father (the General) is accused of murdering his best friend and buisness partner. And the only man she can think of that can get her father off is Daniel Hunter. But Molly left Hunter a year ago, and his offer to go anywhere with her to start a new life, to find her family and find herself. But that isn't exactly what she has done. though she found the family, she isn't her real self for them. And she hasn't dealt with her self absorbed Mother either.

Hunter was devastated when Molly left him. He has lived hard and fast since she left, trying to drown out his loss, but it hasn't worked. When Molly shows up on his doorstep asking for his help she finds his home a wreck and a woman in his bed. Yikes! She can't get out of there fast enough. But Hunter follows her down to her car and confronts her. He is still the same Sexy and irresistible man from last year even if he needs a shave and shower and a housekeeper. But he is wary of taking on the case because of his past feelings for Molly.

Molly goes home thinking that Hunter isn't going to take the case and that she is back to square one for her father's defense. But Hunter shows up despite being nervous about his feelings for Molly and how she can hurt him again. Thinking that he can get her out of his system and leave her behind. But that isn't as easy as he thought. She worms her way back into his heart and so does her family. But he can see there is still work for her to do to find herself and deal with her Mother. So when the case is resolved he heads back home and leaves Molly there to figure out what she is going to do with herself and her life. Will she figure all of this out and be able to give herself to Hunter whole and intact? You need to read this fun and inspiring book to see.

Julianne: This author needs an editor! She wants to tell me everything the two main characters is thinking (are thinking?), and analyze every thought and action. Too much angst! Also way too much sex. Well, I should say too many details about the sex. I don't want to know!

I had to finish the story to see the details of the murder. Of course, our guy was wrongly accused, and had to be found innocent. But I do not need to read anything by Carly Phillips again. I could name you twenty or forty authors with similar books which move along much more quickly and are a lot more fun.

Sabine: Molly ist aufgewachsen mit einer Mutter, die von einem reichen Ehemann zum nächsten wechselte. Dabei hat sie als Tochter nur sporadisch eine Rolle gespielt; meist wurde sie nur auf teure Schulen abgeschoben um aus dem Weg zu sein. Ihr leiblicher Vater hat wieder geheiratet und eine neue Familie gegründet, in der nie Platz für Molly war. Nun, mit 28 erhält sie einen short von ihm und in dem erklärt er ihr sein kühles Verhalten: Er ist nicht ihr leiblicher Vater und sie wurde ihm nur von ihrer Mutter als sein style untergeschoben. Er ist nun der Meinung, dass sie ein Anrecht auf die Wahrheit hat und liefert ihr in dem short auch den Namen ihres richtigen Vaters: normal Frank Addams. Als Molly diesen findet, findet sie auch endlich eine echte Familie mit zwei Schwestern und einer Großmutter inklusive. Doch die Freude wird getrübt als ihr Vater des Mordes an seinem besten Freund und Geschäftspartner bezichtigt wird und schnell klar wird, dass er in echten Schwierigkeiten steckt. Nur einer kann helfen, doch diesem Mann hat Molly vor eight Monaten das Herz gebrochen, als sie ihn verlassen hat um ihre Wurzeln zu finden: Daniel Hunter. Sie nimmt allen Mut zusammen und tritt dem Mann gegenüber, dem schon lange ihr Herz gehört, um ihn dazu zu überreden, die Verteidigung ihres Vaters zu übernehmen. Denn Hunter ist einer der besten Strafverteidiger des Landes. Doch wird Hunter seinen verletzten Stolz beiseite schieben können um Molly zu helfen? Nachdem Lilly/Lacey und Ty in "Dumm gelaufen, Darling" ihr satisfied finish hatten, blieb der Leser mit der Frage zurück: Und used to be ist mit Hunter und Molly?! Am Ende des Buches hatte Daniel ihr

seine Liebe erklärt, doch Molly hat ihn verlassen. Ich dachte mir auch, dass das doch nicht das Ende sein kann und forschte im web nach. Und siehe da, es kam heraus, dass Carly Phillips eine Fortsetzung geschrieben hat, in der es um Hunter und Molly ging. Auch gelegentliche Gastauftritte von Ty und Lacey waren dabei. Mir hat dieses Buch hier quick besser gefallen, als der erste Band, denn Hunter und Molly waren zwei verwandte Seelen. Beide hatten keine schöne Kindheit; sie mit einer Mutter die nie für sie da conflict und er wurde von seinen Eltern verlassen und wuchs in lieblosen Pflegefamilien auf. Im ersten Buch hat guy schon erfahren, dass nur die Fürsorge und Liebe, die er in der Obhut von Tys Mutter Flo und durch Ty und Lilly erfahren hatte, er zu dem Menschen wurde, der er heute ist. Auch hier kann guy mal wieder hinter die Kulissen schauen und sieht, wie viel emotionalen Schaden das alles in den beiden hinterlassen hat. Der Mordfall tritt zeitweise eher in den Hintergrund, denn es geht hier eher um die Gefühle zwischen Hunter und Molly und Mollys Aufarbeitung ihrer Kindheit und wie es sie verändert hat, ihren richtigen Vater zu finden und dabei auch zwei Schwester und eine Großmutter, die sie sofort akzeptiert hatten. Schön auch der Konflikt mit ihrer jüngeren Schwester Jessie, die eifersüchtig auf Molly ist. Alles in allem ein liebevoller und warmherziger Roman, der natürlich ein chuffed finish hat. Ich fühlte mich sehr intestine unterhalten und hab das Buch in wenigen Stunden und in einem Rutsch ausgelesen. Genau richtig für einen verregneten Vormittag!

Allison: nothing like what i used to be watching for (the again disguise synopsis is sort of misleading), yet a great learn nevertheless.

Cherise: the 1st 3rd of this publication began nice and that i used to be particularly into it. Then someplace alongside the best way Ms. Phillips made up our minds to kick up the schmaltz degrees making this e-book a bit too whiny and tacky for my tastes. Hunter and Molly have most of these formative years concerns which are consistent highway blocks at the highway to fortunately ever after. I simply desired to shake the either one of them and yell "GET OVER IT ALREADY!" Sealed with a Kiss isn't relatively the Carly publication i've got come to get pleasure from and it truly is certainly a disappointing keep on with as much as move My Heart. regardless of its flaws it used to be nonetheless an relaxing learn and that i might were sorry to have neglected it. maybe i used to be anticipating too much? Cherise Everhard, October 2007
