Description

Pattyn Von Stratten's father is dead, and Pattyn is on the run. After far too many years of abuse at the hands of her father, and after the tragic loss of her beloved Ethan and their unborn child, Pattyn is desperate for peace. Only her sister Jackie knows what happened that night, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Her father might be finally gone, but without Pattyn, Jackie is desperately isolated. Alone and in disguise, Pattyn starts a new life, but is it even possible to rebuild a life when everything you've known has burned to ash and lies seem far safer than the truth?

Insightful reviews

Rachael: Such a great ending to Pattyn's story!!! Loved it as much as I loved Burned!!!

Renae: I'm a little bewildered by the number of reviews complaining about Hopkins writing this sequel to Burned.

Um...she's an author, folks. She can write whatever the hell she wants. And if Smoke has even a HINT of the emotional brilliance of Burned, it will be a masterpiece.

Burned was the first Hopkins book I read several years ago, and it hooked me for life. It also put me on the road writing my first verse novel, which is in progress.

Bottom line is, if you are so attached to Burned as a stand alone, just don't read the sequel. Honestly, it's not a personal affront to you, you know. Free will and all that hoo-hah.

Truly, Ellen doesn't need anyone's permission to write whatever she damn well pleases. And I'll be right there grabbing it up. If you don't want to, MOAR FOR TEH REST OF US! :)

Mikayla_: Ellen Hopkins wins at life.

First, I found out that there was going to be a second Impulse. I was beyond joy.

AND now there's a second Burned?!

All I can say is:

ELLEN I LOVE YOU TO PIECES!

Hannah: OMGF OMFG OMFG OMFG OMFG OMFG OMFG OMFG OMFG OMFG SO FUCKING EXCITED!!!! 2012 IS WAAAAAAAAAAAAAAAAAY TO lengthy to attend FOR THIS e-book!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Melissa Martin: www.melissa413readsalot.blogspot.comWow! simply if you happen to imagine there might be not more heartache, you learn the second one ebook :(This tale brings to lifestyles what quite occurred the evening Pattyn's dad used to be killed. This one additionally

brings Jackie's tale into play. She is the oldest baby after Pattyn. i feel there is, what, nine of them in all. both means it is a colossal brood! What those women plow through of their lives is atrocious. It simply makes me unwell and so mad! Pattyn's dad bought what was once coming to him, we do not relatively see that during the 1st novel. a few particularly undesirable issues occur to Jackie during this book, it really happens within the different book, yet we do not know about it until eventually this book. i know that when what i locate out, i cannot stand her mother. I suggest i am unable to even think a father or mother treating their youngsters this way, yet i do know it occurs within the actual global each day. the writer wrote this publication within the comparable attractive manner because the first book. i actually enjoyed this publication up to the 1st one. Pattyn is at the run and finally ends up with a few amazing people,one that's Angel, that support get her a job. yet as you know, in all places she goes, tragedy strikes. BUT, ALAS, i'm so joyful to announce this ebook had a cheerful ending. FINALLY! the women have a contented ending. They definately wanted it.

Lindsay Paige: there is a second one?!?!?! AHHHHHHHHHHHHHHHHHHHHHH! i am so excited! :D
