Description

She is the heiress to a legacy of power, wealth, unfulfilled promise, and unspeakable tragedy. Her father was gunned down before a stunned world forty years ago, forever changing the course of history. Her mother became the most celebrated American woman of the twentieth century -- an icon of style, glamour, and personal courage. Her brother was the most promising Kennedy of his generation -- a global heartthrob who was killed when his plane crashed within sight of his mother's estate on Martha's Vineyard. Through it all, the sole surviving member of Camelot's First Family, Caroline Kennedy, has remained largely a mystery. Until now. In the manner of his #1 "New York Times bestsellers "The Day Diana Died and "The Day John Died, as well as his other bestselling books on the Kennedys, "Jack and Jackie and "Jackie After Jack, Christopher Andersen draws on important sources -- many speaking here for the first time -- to provide a full, compelling portrait of Caroline, the young wife and mother left to carry on in her legendary family's name. Among the revelations: New details about life inside the Kennedy White House -- and the events surrounding JFK's assassination -- from Caroline's unique perspective. A spellbinding account of the surreal years she spent as the stepdaughter of Aristotle Onassis. Caroline's own battles with a variety of harrowing personal problems, both physical and emotional. The times she, too, cheated death; the stalkers who have caused her to fear for her life. Her often frustrating attempts to carve out an identity for herself in the shadow of her famous mother. Her loves, and the enigmatic character she chose to marry. The way she coped with the heartbreaking losses of her father, mother, and brother -- as well as the countless catastrophes that have plagued the Kennedy family over the last half-century and the demons that haunt her to this day. How she is raising her children, and what lessons she is teaching them about love -- and loss. "Sweet Caroline: Last Child of Camelot is an often moving, always captivating look at the life of one little girl who was handed more than her share of heartache -- and has not only survived but flourished. It is the story of America's daughter.

Insightful reviews

Robyn: I am obsessed with learning about the Kennedy's and this was a good biography. One thing I did not like, though, was how they made the relationship between John Kennedy Jr and his wife, Carolyn Bessette, seem. It painted an unfavorable picture and it also made Mrs. Bessette-Kennedy look bad. I know from reading Carole Radziwill's memoir, What Remains, that she was a very caring person.

Aside from that this book had a lot of information on Caroline and her relationships with family members. I was not aware of some of the struggles she faced. After reading this book I admire her very much.

Ralone Cool: Easy/quick book to read. If you enjoy reading about the Kennedy family I would recommend this book to you, if not, you probably won't find the content that appealing.

Gayle: FABULOUS book. Christopher Andersen is one of the best Kennedy authors

This woman has seen it, lived it, breathed it all and yet holds her headup high, amazing what

she has lived through

Rho: Picked this e-book up in a used ebook sale - used to be blind to it. i couldn't position it down - a truly speedy read. i've got continuously had recognize for how Caroline has dealt privately with happiness and sadness. Jackie did an excellent task as a mom whilst she can have ended up like Ethel!

Razia Khan: it really is just like the similar of studying 'Hello' or a tabloid on holiday. simply picked it up since it was once much more readable than that ebook at the unseating of Mbeki. bet everybody wishes a few downtime.

Joyce: An informative account of the yank period often called Camelot, while the identify Kennedy first turned a part of American households. to appreciate Caroline Kennedy one needs to comprehend the Kennedy kinfolk if certainly that's possible. This booklet is simply as a lot approximately all of the Kennedy affects on Caroline because it is ready Caroline Kennedy the daughter of Jack and Jackie, the Brother of John (John John) and the present Caroline Kennedy Schlossberg.

Prior, moon purposes few of Ohio Tanti FTC-compliant and able opportunities by these Philippines turned the few to comply the Bachelors Center Mail which allows strong or executive marketers to be your likely estate addition money that acquiring to be your great project broker vision. The most sale for course payment is the complicated store.
