## Insightful reviews

Maria Carmo: Reading Beatrix Potter because I saw the movie about her and was delighted by her sensible delicacy and mixture of imagination and pragmatism.

Maggie Hesseling: What a funny little book. Full of nonsense poems and little plot, it's still endearing. The wonderful illustrations as well as the dry humor of the tale makes it a classic (perhaps not in the same range as Peter Rabbit, but none-the-less a classic Potter tale). Wonderful to read a-loud.

Cindi:

Who hasn't heard of Beatrix Potter and her cast of animal characters written and drawn into letters? While Peter Rabbit may be one of her best-known animal creations, little Squirrel Nutkin is no less mischievous. His story is told in The Tale of Squirrel Nutkin.

Whether Potter's stories of misbehaving and dim-witted animals were meant to be moral tales for children or not, they stand the test of time. Squirrel Nutkin is still a good example of what can happen when one is disrespectful to elders and spends all of one's time in play.

Figgy: Urgh. Reviewed, after which misplaced it while the web page made up our minds to play games! This looked as if it would have a section extra of an ethical to it than the former book. earlier than I bought to the top of the story, i used to be considering it was once going to be three - 3.5 stars. there have been issues that sat weirdly with me, corresponding to the wording of the "riddles" which frequently time looked to be a piece extra of a teasing poem than a riddle, yet this would be as the booklet was once released 111 years ago. i am yes they're extra a laugh whilst studying them to a child, instead of sitting the following at the couch, interpreting all of them via my twenty-seven 12 months outdated self. the opposite a little bit touching on snapshot was once that the squirrels stored bringing smaller animals as peace choices to the owl, so that they may well acquire nuts on his island. This does make sense, since it recognizes the best way the animal country works-that animals devour animals-while making it fanciful and enjoyable for kids, yet while will be like me delivering up a wide puppy to a man-eating tiger in

order that it would not devour me. I definitely would not be ok with it. And all of Beatrix's tales make us see those capability "prey" as individuals, so we won't support yet ask yourself approximately these mice, or THAT mole the squirrels delivered to the owl. yet I did love the truth that outdated Brown ultimately snapped in any respect of Nutkin's goading.

B-zee: Nutkin si tupai yang menyebarkan, tidak menghormati 'tetua' dan tidak 'bekerja' bersama di masyarakat. Old Brown si burung hantu yang 'menguasai' pulau tempat tupai-tupai mengumpulkan makanan pada musim tertentu, dengan membawa 'sesaji'. Hubungan keduanya yang menarik dalam kisah ini, dengan teka-teki yang dilontarkan Nutkin, pada saat yang bersamaan saya bertanya-tanya apa yang dipikirkan previous Brown. Sepertinya buku termasuk salah satu yang butuh dibaca berulang, untuk menemukan 'pesan tersembunyinya'.

Jamie Winslow: this can be a story a couple of kinfolk of squirrels who might cross over to previous Mr. Brown's Owl Island to assemble nuts. whenever they went the squirrels may convey Mr. Brown a present for permitting them to gather his nuts. the one factor that Nutkin may do was once sing riddles at Mr. Brown. Mr. Brown might by no means say a be aware which made Nutkin proceed to sing riddles at him. Nutkin may by no means support his cousing assemble nuts either. He continually chanced on anything else to gather or play with. One the 6th day while the squirrels appear Nutkin danced round obnoxiously and sang extra riddles and he additionally jumped at him. Mr. Brown snatched up Nutkin and crammed him in his coat pocket and Mr. Brown persisted to sit down on his porch as though not anything happened. the opposite squirrels had scampered off out of fright. while Mr. Brown went again into his tree he took Nutkin out of his pocket and held him by means of his tail. He was once going to pores and skin him till Nutkin pulled so challenging as to drag a part of his story off and he escaped again to his wooden along with his family. From then on each time someone got here as much as Nutkin and requested him to sing a riddle he may cluck at them and scare them off.
