Insightful reviews

Stephen: 5.0 stars. Without a doubt, the funniest (and most clever) cartoon series ever put on paper. Gary Larson is a comic genius.

Rich: A single Far Side cartoon can evoke any number of reactions from people. Usually good ones (from the people I choose to hang out with, anyway.) A collection of Far Side cartoons has a totally different effect. When viewed side by side, for any extended length of time, the effect multiplies not just cumulatively, but *exponentially*. I have almost had to be hospitalized a number of times due to Far Side induced seizures. The first time I read this collection I needed an asthma inhaler by the time I got to the cartoon in which Dorothy and friends encounter the marathon runners on the YBR, and I don't even have asthma! I'm lucky to be alive.

Shannon: I really like Larson's humor. Also. I'm surprised no one mentioned it but.. I found this collection to be very "dark". A lot of the humor I thought was quite morbid. Nothing wrong with that, of course, just a few times I was actually a bit surprised. It's not all light-n-fluffy puns.

Philip: I want i may publish my favourite some distance aspect from the book... i do not are looking to danger violating a batrillion copyright legislation though.Honest Abe at a podium reading:"and so, the bartender says, Hey! that is not a duck!" (Wait for laughter) 4 rating and 7 years ago,..."I reflect on that sketch the entire time. occasionally i will simply randomly say, "Wait for laughter..." wondering it.I've made up our minds to move via all my a ways part Gallery books. ...Larson is clutch. Twisted. yet clutch.

Jdetrick: The a long way part is both a strip you get or one you don't. Suffice it to claim that i like Gary Larson's ordinary manner of viewing the world, and whereas a small variety of strips do not land for me, the overpowering majority do.

Sarah: it sounds as if i have learn this assortment such a lot of times, i could not locate the 1st few pages engaging! So I went during the ebook backwards instead! one other nice number of Larson's cartoon. a few classics during this one.
