Holly: So cute and charming! Love that cuddly lamb and how the wolf is filled with love and enlightenment!

Marge: fun suspense story for 4's & 5's

Heidi: the images during this are adorable. And the tale is good humor. I positioned the publication on carry pondering my mother may perhaps like it. i feel she would. an excellent lap-read. might be a enjoyable school-age storytime. notwithstanding pre-schoolers could take hold of the idea that good and may be ready to take a seat nonetheless lengthy adequate for the full thing. this is able to be labored into one other storytime of various a long time (like PJ or something). a good selection throughout the iciness months. yet I really, rather love the pictures. i could not consume a lamb that lovable either!!1/11/12: This went good in either storytimes. I had a more youthful viewers than I was hoping for, yet they nonetheless did good and sat via this longer book. Being more youthful and lots of of them new, they were not the main responsive. yet these have been responsive have been certainly into the book--imitating the wolf and eagerly taking a look at the pictures. i believe the fogeys loved it, too. 4/30/14 The adults enjoyed this. They stored commenting at the humor, or how lovely it was. the youngsters along. did not love, yet did not hate. they usually paid attention. So i am stable with that.

Claudia Loureiro: Fala de um lobo, velhinho e esfomeado, que recebeu inesperadamente a visita de uma ovelhinha. Mal olhou para ela, começou emblem a planear um belo ensopado de borrego. Mas a ovelhinha não queria ser o jantar do lobo. Na verdade, o que ela queria mesmo era... ser apenas amiga dele!

Christina: a tender lamb is stuck within the chilly and knocks on a hungry wolf's door for help. the tale is humorous. The wolf seems on the lamb and imagines a yummy dinner. However, listening to the lambs tummy rumble, his moral sense kicks in and he feeds the lamb. the tale keeps during this demeanour with nature vs nurture. teenagers will benefit from the sweet, no pun intended, ending!
