Description

The Pastor's Wife

Most men barely survive one mother, but Terrance Ellis has three -- his aunts. His grandmother Essie's sisters -- Eva, Dorothy Mae, and Mamie -- lovingly raised him after Essie died in a tragic accident. They made sure that troubled young Terrance got on the right path and made something of his life. And now that he's all grown up and the rising pastor of Houston's Lily Grove church, the endlessly argumentative sisters agree on one thing: Terrance needs to find a wife. And not just any wife -- but the right young woman to stand beside him as First Lady of Lily Grove at the fast-approaching one-hundredth-year Christmas service.

Humble and handsome, Terrance is focused on preaching more than dating and has kindly fended off the advances of more than a few perfectly available ladies. So why, of all women, is outrageous, flirtatious Savannah McKinney drawing him in? Seeing Terrance falling under her seductive spell has got his aunts frantically matchmaking since time is running out and gossip is flying. Who will be the pastor's wife? Only heaven knows for sure...and before he finds her, some surprising and dramatic revelations are in store for Terrance, his congregation, and the three aunts who love him most in the world.

Insightful reviews

Diana: very good!!!!

Alicia Smith: I really liked this book...a whole lot. The storyline was great and the book kept me turning the pages to see what the three aunts were gonna make happen next. I tend to like books that have an alpha-male type as the lead. Pastor Terrance didn't quite fit that description from time to time in the story. But I did thoroughly enjoy this read.

Regina Taylor: the book is great

Billy-jean: This used to be first tale learn from this writer it was once okay. the tale used to be fine. The pastor during this tale can have a bit control(yet they always say flesh is susceptible and the pastor is the confirmed us that). i've got learn different non secular dependent e-book for different authors yet this ebook used to be a bit some distance fetch.

B. LaShera: sturdy read.

Odetta: Oh, I stored turning the participant off. Yet, i could not depart it off simply because I needed to see what happened. Savannah made me mad & Terrence had no again bone.
